

Expectations and Reality

As preached on Sunday, April 5th

Read: Matthew 21:1-11

1. What are some ways that your plans and expectations have been upended these past few weeks?
2. The Israelites were wanting God to rescue them from Roman occupation and control, is there anything in your life right now that you would call out to God to save you from?
3. When has God worked in ways in your life or in the world that were beyond your understanding? Instead of this leading to frustration, how can you shift your perspective so that it helps you know this means God is still God and you are not?
4. Speaking of shifting perspectives, how might God be using social distancing and isolation to save you from things you might not even be aware you needed rescue from?
