

THE VOICE OF GOD

As preached on Sunday, January 10th

Read: Psalm 29

1. Describe a time when you experienced an awe-inspiring storm. What about that experience made the strongest impression upon you? Did the experience impact your understanding of God?
2. As you read through Psalm 29, what emotions does it evoke in you?
3. We spoke on Sunday about “theophanies”. How would you define theophany? What is the theophany in Psalm 29?
4. How many times does the word “voice” appear in Psalm 29? What do you think is significant about this repetition?
5. God’s voice doesn’t always sound the same. List a few of the “voices” of God you have seen in scripture? How about in your own life?
6. How does the voice of God speak to you? How can you be better prepared to listen to all of the ways God is communicating?
