

Anyone to Everyone

As preached on Sunday, February 7th

Read: 1 Corinthians 9:16-23

1. How do you view sharing the gospel? What excites you when thinking about it? What makes you nervous?
2. How does having an expected result when sharing the gospel actually diminish the good news? How can we work to make sure we don't have expectations or extra strings attached when preaching the gospel?
3. How can you make yourself subservient to those around you for the sake of the gospel? What might you need to change or give up for a time for the sake of others?
4. Are there specific groups or types of people you have tended to avoid because they felt too different from you? How can you better engage them for the sake of the gospel?
