

EASTER JOY

As preached on Sunday, April 4th

Read: Mark 16:1-8

1. What are your earliest memories of Easter? How did your family celebrate?
2. As you read through Mark's account of the first Easter morning, what stands out to you? Are any of the details surprising?
3. If you had been there that morning, how do you think you would have responded?
4. Why does the angel add "and Peter" when giving the women instructions?
5. Take a moment to read 1 Peter 1:3-9. In what ways do these verses describe the resurrection at work in a human life?
6. How can we live more fully in the inexpressible joy of our salvation? How does experiencing that joy feel different on the other side of the COVID-19 pandemic?
