

## **Love is All**

As preached on Sunday, May 2<sup>nd</sup>

**Read:** 1 John 4:7-21

1. If God is love, what have been some of your most profound/life changing experiences with love? How did you feel God's presence in those moments?
2. When are the times you're most insecure about being deeply and wholly loved? What do you think stirs up these feelings? What would be a good reminder that you are always loved?
3. What are the ways that are easiest for you to show love to someone? What are the ways that are most difficult?
4. How can knowing that when you show love to someone you are showing them God change your daily interactions with people? What is something new or different you can do this week?
