

## **A Resounding Love**

As preached on Sunday, January 30<sup>th</sup>

**Read:** 1 Corinthians 13:1-13

1. Have you ever been in a situation where there was just too much going on, too much stimulation, either visual or auditory? What was that experience like? Have you ever been around a person who made you feel similarly? What about that person made you feel that way?
2. Why would using our gifts without love be like a resounding gong? What would it look like to use your gift without love?
3. In the description of love in verses 4-6, which element stands out or is most meaningful to you? Why?
4. What does it mean that love never fails? If this is true, how should this change the way we live?
5. If love is the thing that remains, how can you begin investing in love in all of the communities you are a part of this week? How can you be a person who is known for their love?
