

I Am The Light of the World

As preached on Sunday, August 18th

Read: John 8:12-20

1. How valuable is light? What would life be like without light? What would life even be like without artificial light?
2. What does it mean to you that Jesus is the light of the world?
3. Do you think the Pharisee's had a point about Jesus' testimony about himself? What do you think it would take for them to believe Jesus?
4. How can we be light in the world? What does it look like for us to be light?
5. What does it mean for us to reflect light instead of be a light source? How can it help prevent burnout? How can it take the pressure off of us?
