

## **SERVE ONE ANOTHER**

As preached on Sunday, November 3<sup>rd</sup>

**Read:** Galatians 5:13-18, Matthew 20:20-28, John 13:1-17

1. Take a moment to think about the concept of service in our culture today. Would you say it is something folks are attracted to, resistant to, or ambivalent towards? Why?
2. Based upon the arc of the New Testament, service is something that is pretty foundational to living out our Christian faith. How central has it been to your faith experience?
3. As we begin in Galatians, what strikes you about Paul's teaching there regarding service?
4. Moving on to Matthew 20:20-28, how do you think Jesus' disciples were missing his teaching and modeling of servanthood? What does Jesus teach here?
5. In John 13:1-17, Jesus models for his disciples (and us!) what servanthood can look like. How do you imagine it must have felt to experience that in the upper room?
6. Do you think Jesus washed his disciples' feet in order to ensure that we all make sure to wash each other's feet on a regular basis? Why, or why not?
7. What new (re-newed) forms of service might God be calling to engage both at FHPC and throughout your daily life rhythms?
